MAMMUT PLUS - A LOVE OF DETAIL

With its particularly wide panels, MAMMUT PLUS makes for an extremely elegant atmosphere. And so this floor is particularly suitable for larger rooms, effectively under-lining their spacious architecture. However, MAMMUT PLUS reveals its real greatness not only in its width but also in its length. And that's not all: an immaculate natural wood look, realized to the highest degree of authenticity – there can hardly be a better combination of robustness and naturalness. MAMMUT PLUS is therefore the right choice for anybody who sets the highest standards for the ambiance of their surroundings.
